

**CM700 Pull Station**

## Pull Stations

### CM700

Ideal solution wherever an emergency release is required. Applications include Fire Alarm, Door Release and Emergency Alarm. Designed for single gang mounting and protrude only 3/4" from the wall. They are easily reset with a small screwdriver.

- English, French and Spanish versions
- Optional clear lift cover
- UL Listed for Fire
- 1A @ 30V DC or 25A @ 125V AC Operation
- 1 N/O + 1 N/C (Switch configurations indicated are when the pull station cover is closed/reset. When pull stations are released, switch contacts will be opposite to those indicated.)
